Foreword

We, the annual staff are happy to present to you the 1950 issue of the Tadpole.

To the student body and business people, we would like to express our gratitude but most of all we want to thank Mrs. Darline Kennedy for directing our work.

As you turn through the pages may you recall the many pleasant memories of the activities of the Greenwood High School during the year 1949-1950 and cherish them throughout the coming years.

THE STAFF

Dedication

Because she has always gone outside her regular duties as a teacher to help others and has put others ahead of herself and because we appreciate what she has done for us, we dedicate the 1950 Tadpole to . . . .
